

Objectives

- Build capacity of cities and local governments to **better reach migrant communities** & to improve identification, referral, protection and recovery of survivors of **sexual and gender-based violence (SGBV)** within these communities.
- Empower migrants and frontline services, by raising awareness on SGBV and migrants' rights

Outputs

- Local authorities have access to **4 thematic toolboxes** with training and awareness raising material

Beneficiaries

- **EU cities** and their **migrant communities**

Project partners

Trainee cities

35 Trainee cities and organizations will contribute to the project by providing **their feedback** on the toolboxes developed. They will receive **the toolboxes** once finalized and will disseminate them in their **city networks**.

Are you interested in joining the project as a trainee? Visit our Trainee cities [webpage](#).

The **4** toolboxes will be available in **November 2021**.

2030 Agenda

The Equalcity project contributes to the **Sustainable Development Goals**.
